

FAIR & ACCURATE FOR ARIZONA

ONE
ARIZONA works to improve the lives of Arizonans, especially people of color and young people, by building a culture of civic participation. The Census is a key element in assuring our communities thrive across the valley for the next 10 years.

We look forward to more Census field work as we moved into mobilization in 2020. We will make sure our children are not undercounted, our rural communities are accounted for & insure a defined representation. For more information contact yolanda@onearizona.org.
